Sorry, I don't doubt you & perhaps misunderstood. I do recall your telling me record keeping wasn't in good shape but I didn't know whether you found discs your clients had. In any case I left another vm for Paul that we are having the 2012 FMC OU ROD Amendment Admin Record copied onto discs we could have ready for someone to pick up as soon as tomorrow, we're assuming that's what you want & not the EMF Admin Record that was compiled for the 1998 ROD. Paul's e-mail wasn't clear about this. I'll e-mail & call his office again here when we have it or know when it will be available.

Charlie

I very clearly told you many times during our call neither the tribes nor isu have more than a handful of emf documents. If you doubt me please review the files yourself. I am absolutely not understanding what you said In your voicemail to Paul. Are there other influences at play I am not made aware of. Please advise and respond in email or writing so there is no more confusion. Thanks. Bill
